## **I-STEM Academia Event - Attendee Guidelines**

### **Attendee Registration:**

- ❖ Reach the venue by 8:00 AM to 8:15 AM to be seated in the auditorium's front section.
- ❖ Ensure that you have registered for the event in advance.
- ❖ Bring your confirmation email or QR code for faster on-site registration.
- ❖ Be respectful of speakers' time and adhere to session schedules.

### **Parking:**

- ❖ Limited parking spaces are available on a first-come, first-served basis.
- ❖ Please arrive early to secure parking and consider carpooling or using public transportation if possible.
- ❖ Follow event signage.

### **Wi-Fi Access:**

- ❖ Complimentary Wi-Fi will be provided. Network details will be available at the registration desk.
- ❖ Use the provided Wi-Fi for event-related activities and refrain from excessive streaming or large downloads.

### **Water Stations:**

- ❖ Water stations will be available throughout the venue.
- ❖ Stay hydrated, and please use the provided reusable water bottles to minimize environmental impact.

**Agenda and Event Material:**

- ❖ Review the event agenda/schedule in advance for session details and timings.
- ❖ Collect event materials, including notebook, pen, program schedule and I-STEM brochure at the registration desk.

**Networking:**

- ❖ Take advantage of networking opportunities to connect with fellow attendees, speakers, and industries.
- ❖ Business cards are recommended for efficient networking.

**Social Media:**

- ❖ Share your experience on social media using the event hashtag #istemporal #opsa #samavesha2024
- ❖ Kindly tag the approved official social media handles for the social media posts: [@OPSA](#) @ISTEMIISc, @I-STEM Portal, @I-STEM
- ❖ Respect the privacy of other attendees and speakers while posting photos or updates.

**Emergency Information:**

- ❖ Familiarize yourself with emergency exits and procedures.
- ❖ In case of any issues or concerns, contact event staff or security personnel.

**Feedback:**

- ❖ Provide feedback on sessions and the overall event through the designated channels.
- ❖ Your input will help us improve future events.

**Environmental Responsibility:**

- ❖ Dispose of waste responsibly using provided recycling and trash bins.
- ❖ Consider the environment when using event materials.

**Enjoy the Event!**

*Engage, learn, and enjoy the I-STEM Academia event!*

*If you have any questions or need assistance during event, approach I-STEM Team at the information desk.*

*Thank you for your cooperation. We look forward to a successful and enjoyable event at Samavesha!*
